### **Bring your team together**

Create an open, collaborative workspace for your team. Use channels to organize conversations by topic, area, or anything else.

### **Chat 1:1 and with groups**

Outside of open team conversations, chat privately and share files and notes with anyone in your organization.

### **Make video calls and schedule online meetings**

Have impromptu or scheduled meetings in any channel. Or just call someone...

### **Team files, notes, and apps in one place**

Your team's tools are organized and integrated in Microsoft Teams with the power of Office 365.
